Targeted Activity

Team initiatives and Operations

This is an initiative run by Caerphilly County Borough Council and Officers have been focusing on this initiative over the past couple of weeks and engaging with owners to educate them on the rules around owning a dog. A Lead initiative and Strike 1 has been issued to an owner living in the Rhymney area.

The LEAD (Local Environmental Awareness on Dogs) initiative launched across Caerphilly County Borough. It is in partnership with the Blue Cross and works similarly to the ASB strike process whereby if a dog is brought to our attention by persistent dog fouling, getting out of the premises, persistent barking, low level livestock attack, we will deliver an information pack to promote and educate responsible dog ownership. They will also receive a strike letter and details/information of the dog will be obtained.
